

## Trust Services

Categories : [Trust Service](#)

### **We are offering trust services.**

The trust service is done on the basis of the traditional British Common Law, i. e. the legal system in which the system of trust agreements has been created first.

In specific terms, the official registration took place in the Commonwealth area of Nevis (St. Kitts & Nevis) / British West Indies, with its traditionally high legal certainty.

IKanzlei-PTC Ltd. was expressly registered as a PTC (=Private Trust Company) after our qualification also as reliability and trustworthiness could be proven in an examination procedure.
